

# Becoming a Dementia-Friendly Parish

**St Aelred of Rievaulx**  
Woodland Drive, Harrogate HG2 7BE

**Thursday 28<sup>th</sup> June 2018,  
7.00pm–8.00pm**

The spiritual needs of people with dementia, and their carers, can be overlooked.

To be a dementia friendly parish is to find ways to include people with dementia, so that they are helped to experience life in all its fullness.

This short session will be led by Rachel Walker,  
a Dementia Champion from Growing Old Grace-fully.

**Growing Old Grace-fully** is a small charity focused on supporting Later Life Friendly Parishes across the Catholic Diocese of Leeds.
