

# Cuimnhe Geala

## Afternoon

**Join us for an afternoon of nostalgia,  
music and dance!**

We are holding an afternoon to celebrate and talk about memory in the Irish Community. We invite you to join us to talk and reminisce about sport, music, dance and food. There will be local performers and musicians as well as an opportunity to speak to people who support older people in the Irish community and want to encourage awareness of the importance of talking about memory.

**LEEDS IRISH** | care  
**HEALTH & HOMES** | culture  
community
